Education

BS in Computer Science, UC Berkeley (2021)

Work Experience

3 years of product/QA experience.

- Technical Product Manager at DataFlow (2023 - Present): Managed product backlog and roadmap for API integrations. Worked with engineering teams in Scrum sprints. Utilized Jira and SQL for ticket prioritizing and data checks.
- QA Lead at DataFlow (2021 - 2023): Designed test suites and verified API behavior.

Technical Skills

Product Roadmap, Agile/Scrum, SQL, Jira, QA Testing, API Integration, Technical Communication
